FROM:

THE FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To.

THE DEWAN OF MYSORE.

Dated Bangalore, the 21st March 1893.

SIR,

I am directed to acknowledge the receipt of your letter No. 13, dated 10th June 1892 on the subject of cession of jurisdiction over the Mysore State Railway.

2. The Government of India have, I am to say, learned with satisfaction that the Durbar are ready to cede full jurisdiction over the Railway to the British Government. The Durbar however have given expression to the opinion that the section from Bangalore to Mysore and thence to Nanjangode is an isolated local line, jurisdiction over which might under the terms of the orders of the Government of India be retained by the Mysore State, and this portion of the Railway has accordingly been omitted in the draft notification which forms the enclosure to your letter under reply.

3. The Government of India on full consideration of the question have decided that the section referred to cannot properly be regarded as an isolated local line, and have observed that in accordance with their declared policy and the usual practice in such cases it would ordinarily be necessary to assume jurisdiction over this portion of the Railway.

It seems to the Government of India unfortunate that the Mysore State should look upon the transfer of jurisdiction for purposes of administrative convenience as in any way derogatory to itself. Nevertheless in deference to the strongly expressed wish of the Durbar a cession of jurisdiction over this section will not be insisted on. This exceptional concession is, I am to say, made on the understanding that if the line from Bangalore to Nanjangode should hereafter form part of a through Railway, or if Imperial interests should render such a course desirable, the Durbar must be prepared to transfer jurisdiction to the British Government without further discussion, and no similar concession can be granted in the case of branch lines which may hereafter be constructed as off-shoots to the existing system.

4. As the Bangalore-Hindupur extension will, it is anticipated, be opened by 1st July and cession of jurisdiction over this branch line will necessarily be included in the Notification which will now be issued by the Durbar, I would suggest that date as the most convenient for the transfer of jurisdiction to the British Government on both sections. A Notification to this effect might be issued at an early date.

I have the honor to be,

Sir,

Your most obedient servant,

MAJOR,

First Assistant to the Resident.
